Partial double skinned
Electromechanical controls**

INFORMAZIONI GENERALI

- A. Il catalogo serve per richiedere con esattezza le parti di ricambi, in base al **MODELLO** indicato nella matricola della macchina. Negli ordini indicare la posizione, il codice, la descrizione e la quantità delle parti di ricambio;
- B. I disegni delle parti di ricambio sono indicativi e NON rappresentano il pezzo reale;
- C. I dati contenuti in questo catalogo sono indicativi e possono essere soggetti a modifiche senza preavviso.

GENERAL INFORMATION

- A. This catalog is used to order exactly the right spare parts, according to the **MODEL** indicated on the identification plate of the machine. When ordering, specify the position, the code, the description and the quantity of spare parts;
- B. The spare parts drawings are general and DO NOT represent the real component;
- C. The contents of this catalog are general, and can undergo changes without prior notice.
